INVITATION TO ALL PROSPECTIVE PROVIDERS OF GOODS AND SERVICES TO REGISTER AS SUPPLIERS ON THE CENTRALISED SUPPLIERS DATABASE (CSD)

Prospective service providers to government are hereby invited to register on the National Treasury Central Supplier Database. The Central Supplier Database (CSD) is a **single database** that serves as the source of all supplier information for all spheres of government i.e. **ALL National, Provincial and Municipal organs of state**. The purpose of centralising government's supplier database is to reduce duplication of effort and cost for suppliers and government while enabling electronic procurement processes.

This uniform Supply Chain Management system for government is essential to optimise the efficiency of service delivery. It will also eliminate duplication of compliance requirements and reduce duplication of effort and cost for both business and government.

It is important that existing and new suppliers register their businesses online before 30 June 2016. **From 1 July 2016, all suppliers who intend doing business with municipalities (including Ndlambe Municipality) must be registered on this Central Supplier Database.** Please empower yourself and your company! Compliant suppliers can access business opportunities and free tender documents through www.etenders.gov.za.

Ndlambe Municipality hereby urges suppliers registered or are interested in registering on the Ndlambe Municipality's supplier database to register on the CSD and thereafter provide their CSD supplier number and unique code to Ndlambe Municipality (Ms. Andiswa Dyani or Ms. Thembi Mapekula via email: adyani@ndlambe.gov.za or mapekulat@ndlambe.gov.za). They can be contacted on 046 604 5589 or 046 604 5593 respectively.
