

**NDLAMBE MUNICIPALITY**

**UPDATED NOTICE-REVISION OF MAINTENANCE WORK ON VAN DER  
RIET STREET**

**PORT ALFRED**

This is to inform you that, due to the presence of multiple underground services on Van der Riet Street, we are revising the implementation plan for the sewer maintenance work previously scheduled.

On Thursday, 21 November 2024, we will commence work to expose and identify underground services such as electricity cables, fibre, and telecommunication cables so as to ensure that the maintenance work proceeds safely and efficiently. Van der Riet Street will be closed to all traffic on this day.

The revised maintenance schedule is as follows:

- **Maintenance Work Start Date:** Wednesday, 27 November 2024
- **Maintenance Work End Date:** Saturday, 30 November 2024

During the maintenance period, Van der Riet Street will be closed to all traffic. Businesses located on this street are advised to make necessary arrangements as access may be temporarily restricted.

We apologise for any inconvenience this may cause and thank you for your understanding and cooperation as we work to improve our infrastructure.

**NOTICE NUMBER:246/2024**  
**20 November 2024**
