

## NDLAMBE MUNICIPALITY

### NOTICE

### WHARF STREET ROAD CLOSURE

This notice serves to inform all Ndlambe Municipality residents about the permanent closure of the road at the Wharf Street due to the contractor currently installing the sewer pipeline on Wharf Street.

The closure will affect Wharf Street for two (2) days to facilitate the connection of our sewer line from Berega Pump Station to Manholes BO105 and BO44 across the road. Businesses at Wharf Street will remain unaffected. Wastewater treatment works and residents along that area will be able to exit via proceeding towards town (Port Alfred).

2 x Flagmen will control traffic access and will be stationed at Dickenson Drive (SPCA Rd), and at the Wreck pump Station.

A ROAD CLOSED sign will remain at the top on Bathurst Intersection. The two closed points lower down will also have ROAD CLOSED signs.

The effective dates for notice of closure will be **from 22<sup>nd</sup> January 2025 until the completion date of 24 of January 2025**

The municipality would like to send sincerely apology for any inconvenience this may have caused,

Thank you for your cooperation in this regard.
